January 2007

Greetings,

On Friday April 27th, 2007, Catholic Charities will hold its Tenth Annual Ray of Hope Gala at Branches in West Long Branch, NJ. All proceeds of the gala benefit people of need in Monmouth County, regardless of their religious affiliation.

Catholic Charities programs strive to improve the quality of life for our neighbors. The **Disaster Response Program** continues to provide professional counseling and aid to those affected by 9/11 and Hurricane Katrina. **Beacon House** is a group home for homeless young men who receive training in independent living skills. **Project Free** is an outpatient substance abuse treatment program for women and their families. Those are just three of our many programs renewing lives and restoring hope—and needing your support.

Please give serious consideration to the enclosed Sponsorship Opportunities. Our hope is that you will help us by possibly contributing at the \$5,000 Platinum level, but of course any sponsorship gift is greatly appreciated and all proceeds will benefit programs in Monmouth County.

Thank you for your interest and your prompt attention to this request and please don't hesitate to call the Gala Office at 732-747-9660, ext 116 if you would like additional information.

Sincerely,

The 2007 Gala Committee
